*I understand that this is a community supported venture rather than a buyers' club, and that, although the grower is committed to the best of his ability to provide high quality organic produce, there are risks in agriculture which need to be shared by the whole community and may be reflected in the yields of certain crops. By submitting this application, I understand that my membership payment entitles me to a weekly share of produce harvested by Honey Brook Organic Farm during the 2018 growing season.*
