Shares are boxed and delivered in our refrigerated truck on the specified pick-up day to each location. **Members must pick up their box during the designated time.** Our weekly Boxed Share deliveries to sites in New Jersey and Pennsylvania require from 10 to 15 shares at each drop-off site, so be sure to tell your friends about our service!

I understand that this is a community supported venture and that, although the grower is committed to the best of his ability to provide high quality organic produce, there are risks in agriculture which need to be shared by the whole community and may be reflected in the yields of certain crops. By submitting this application, I understand that my membership payment entitles me to a weekly share of produce harvested by Honey Brook Organic Farm during the 2019 growing season. I understand that it is my responsibility to become familiar with the rules of the CSA program (as found in the Members' Handbook).
